

Expertly Designed Protection

CYBER RISK UNDERWRITERS

No Cyber Expertise? No Problem!

All we do is cyber. Our focus is small to middle market risks in all classes. Our outsourced cyber insurance agent services platform includes:

- Engineered (HPR) cyber insurance solutions
- Free vulnerability scan risk assessment and recommendations
- Remediation assistance prior to binding
- 24/7 network monitoring
- 24/7 security engineer access
- Branded proposal documents
- Quote & bind portals
- Training for your staff and your insureds
- Surplus lines filings
- A+ rated paper

Explore

Your insureds deserve more than an off the shelf cyber policy provided by the low bidder!
